

ENERGIZE KENMORE

WHAT HEAT PUMP REBATES DO I QUALIFY FOR?

The following heat pump rebates apply to Mitsubishi Full performance Heat Pump that meet or exceed an HSPF2 of 8.1 and SEER2 rating of 13.4.

You qualify for an instant \$2,000 rebate if you meet all the following criteria:

- Own a home in the City of Kenmore
- The home is an existing single-family residence (1-4 units) or townhome
- The current primary heating source for the home is gas, oil, wood, or electric baseboard/wall heating and system is in working order.

You qualify for a bonus \$4,000 instant rebate if your total household income is below the following income limits. You can use your 2025 federal adjusted gross income (AGI). Total household income includes income from everyone living in the household in 2025.

Household Size	Upper Income Limits (150% AMI)*
1	\$165,000
2	\$188,550
3	\$212,100
4	\$235,650
5	\$254,550
6	\$273,400
7	\$292,250
8	\$311,100

*Income thresholds are 150% the 2025 King County Median Income calculated from the United States Department of Housing and Urban Development Income Limits.
